

The BTA Benevolent Fund provides emergency financial aid to those who are active members of the Burnaby Teachers' Association.

The fund is financed from interest on the BTA Reserve Fund.

Assistance is given in the form of loans or non-repayable grants. A loan may be granted to a maximum of \$1000.00 per two year period. If the loan is repaid in full before the two year period, a second application would be considered on a per case basis. Grants are not repayable.

The BTA Benevolent Fund Committee is appointed by the BTA Executive for a two-year term and is empowered to develop a simple and non-invasive application, accept and screen applicants and approve disbursements as loans or grants.

Each application is carefully and confidentially considered by the Benevolent Committee. The Committee's decision will be final without appeal.
