### Are you on BCTF Salary Indemnity Plan?

#### You need to know...

The BTA plan administrators of a 1981 agreement between the BTA and the Board adopted the following amendments to that plan on May 1, 2024.

As of September 3, 2024, any active BTA member who is in receipt of benefits from the BCTF Salary Indemnity Plan (either short-term or long-term) may request reimbursement from the funds remaining in the account from the agreement established in 1981. Reimbursement is only for medical expenses paid out-of-pocket which are non-reimbursable from any other source.

To access a reimbursement, the member must complete an application for consideration by the BTA members charged with administering the BTA Salary continuance/Long Term Disability plans. These members may be referred to as "plan administrators" or "trustees".

Each application for reimbursement must include receipts indicating proof of payment.

The application must provide permission from the member for the plan administrators to verify that the member is currently receiving benefits from a BCTF SIP. For privacy reasons, this information cannot be given to the plan administrators without consent of the member. Once permission to verify is given, the BTA or Board may verify participation.

Requests for reimbursement cannot be made for payment of BCTF SIP fees, EHB fees, or fees paid for other forms of medical insurance.

Requests for reimbursement may be made once per month from September through June. Attached receipts must be dated within six months of the reimbursement request. (For a receipt to be considered for reimbursement, it may not be dated prior to May 7, 2024.)

It is intended that this reimbursement plan will continue until the monies remaining in the accounts specified from 1981 are depleted. As time passes, the administrators/trustees may consider additional amendments to the reimbursement plan.

Reimbursement for out-of-pocket medical expenses, not reimbursable from other sources, and prescribed/authorized by your medical practitioner, will be considered at monthly meetings of the BTA plan administrators/trustees from September-June of each year.

In general, reimbursement will not be granted for travel, cosmetic surgery, fertility procedures, dental procedures, weight loss or gain, or gym memberships.

If you have any questions for the plan administrators/trustees, please feel free to email us at [BTASalaryContinuance@gmail.com](mailto:BTASalaryContinuance@gmail.com)

## Application for Reimbursement of Out-Of-Pocket Expenses

Name (please print) \_\_\_\_\_

I am an active BTA member who is currently in receipt of benefits from the BCTF Salary Indemnity Plan (either short-term or long-term). I give my permission for the plan administrators/trustees to verify my status with the BTA or the Burnaby Board of Education.

I verify that I am out-of-pocket for the medical expenses listed and that they are not otherwise reimbursable.

I understand that, if reimbursed, I may not claim these expenses for income tax purposes.

Signed \_\_\_\_\_

Date \_\_\_\_\_

As per the "You need to know" information sheet, I am sending the following receipts for reimbursement of out-of-pocket medical expenses as authorized by my medical practitioner. These are expenses that are not covered in any other manner.
